

PRODUCT OFFERINGS

SIEMENS

CIRCUIT PROTECTION

- Safety Switch (General & Heavy Duty)
- Molded Case Circuit Breakers
- Power Circuit Breakers

ELECTRICAL APPARATUS

- Lighting Panelboards
- Distribution Panelboards
- Switchboards
- Busway Systems
- Low & Medium Voltage Switchgear
- Low & Medium Voltage Motor Control Centre

RESIDENTIAL

- AC Disconnect
- Plug-In Circuit Breakers
- Load Centers
- Meter Centres

HV & MV SUBSTATION

- AC Substation Solutions (Turn Key)
- MV Capacitors, Capacitor Bank & Harmonic Filter
- Reactors & Arresters
- Disconnect Switch
- HV & Generator Circuit Breakers
- SVC, STATCOM, Synchronous
- Condensers, Fixed Series Compensation

AUTOMATION & PROTECTION

- P&C Engineering Services
- GE Multilin & MICOM Relays
- Substation Automation
- Asset Monitoring & Diagnostics
- Kelman DGA Monitors
- Ethernet
- Software & Solutions

POWER SENSING

- Utility Style Instrument Transformers
- OEM Style CTs, PTs, CPTs & Switches
- ED/IKU Terminal Blocks
- ET Indicator Lamps
- HEA & HAS Auxiliary Relays
- SB Control & Transfer Switches

POWER TRANSFORMERS

- HVDC Converter Transformer
- On-Board Transformer (Traction)
- Phase-Shifter Transformer
- Shunt Reactor (Oil Filled)
- Track Side Transformer

- Cast Coil Transformers
- Dry Type VPI Power Transformer
- Low Voltage Transformers

- Solar & Wind Farm Transformer
- GSU Transformer
- Primary & Secondary Substation Transformer
- Pad Mount Transformer

- VPI Dry Type Transformers
- 9KVA to 10MVA, 480V to 34.5KV
- Indoor & Outdoor

PRODUCT OFFERINGS

LV & MV POWER QUALITY SOLUTIONS

- Medium Voltage UPS
- Active/Dynamic Harmonic Filter (LV & MV)
- Active Voltage Conditioner (LV & MV)
- Active Continuous Voltage Regulation
- Active Voltage Stabilizer

MEASUREMENT & TEST EQUIPMENT

- Circuit Breaker Testing
- Resistance Measurement
- Protective Relay Testing
- Power Quality Measurement
- Digital Fault Recording
- Meter Testing

UPS, DC POWER SUPPLIES & BATTERY CHARGERS

- Engineered AC/DC Backup Power Systems
- Nickel-Cadmium Pocket Plate Batteries
- Lead-Acid Batteries – Flooded OPzS and VRLA (Gel & AGM)
- SCR Chargers & Convection Cooled Switched Mode Modular Rectifiers
- AC UPS and Modular Inverters
- Custom Battery Racks (Seismic Rated)
- Containerized and Modular BESS Solutions
- Utility & Industrial Application Expertise – Substations, Oil & Gas, Transit, Mining
- Full Lifecycle Support – Design, Sizing, Integration, Commissioning

LOW VOLTAGE CAPACITOR & HARMONIC FILTERS

- Fixed Capacitor Bank
- Automatic Switching Capacitor Bank
- Detuned Harmonic Filter Bank
